We continually upgrade our products, so the specifications in the catalog are for reference only. Manufacturer reserves the right to modify drawings, specifications, and dimensions without prior notice.

PRODUCTS

COLLETS

Collets - Straight Face
Collets - Angular Face
Collets - Internal Thread
Collets - External Thread
Long Nose Collets - Tapered
Long Nose Collets - Straight
Collets - Sealed

GUIDE BUSHES

Drawn Type Guide Bush
Reinforced Shank Type Guide Bush
Traub
Magic Type
Special Guide Bushes - Customized

BAR FEEDER COLLETS

Finger Collets - Internal Thread
Finger Collets - External Thread
Finger Collets - Pin Type
Special Finger Collets - Customized

SPECIAL COLLETS

High Gripping Special Collets
Multi Spindle Collets
Internal Clamping Collets
Rotary Transfer / Hydromat Collets
Pick Up Collets
Special Collets

CUSTOMIZED SOLUTIONS

Draw Tubes
Collet Sleeves
Collet Springs
Cap Nuts
Carbide Bushes
Toggles

At Holdings Technologies Innovations, we've revolutionized special collet design to enhance precision and efficiency in manufacturing.

Our latest innovations utilize advanced materials and cutting edge engineering techniques, ensuring durability and optimized performance.

Designed to enhance grip and reduce vibration, ensuring exceptional machining precision and performance.

"Furthermore, our customizable design cater to a variety of machining applications, providing tailored solutions for our clients.
